Oral ExParte Presentation

Dear Ms. Dortch

On Friday, January 16, 2004, Nick Frenzel, Mike McMains, Janice Obuchowski, and Mark McDowell, representing Progeny LMS, LLC ("Progeny"), met with Chairman Michael Powell, Bryan Tramont, and Sheryl Wilkerson. The meeting was held to discuss and clarify issues relating to Progeny's proposals for rule changes affecting Location and Monitoring Service ("LMS") in the 902-928 megahertz band. The discussion focused on public interest benefits of the rulemaking petition filed by Progeny and on ways to mitigate any potential interference between licensed and unlicensed uses of the band.

In accordance with Section 1.1206(b) of the Commission's Rules, please accept this original and one copy for submission.

Respectfully yours,

Albert Halprin
